Diaphragm Water Pump

[PUM-00035](#)

•[Product features]

Name: Diaphragm Water Pump
Model: PUM-00035
Life: 20000 Hours
Color: BLACK
Material: compact plastic
Noise: 55-60dB
pressure: 0.48MPa

•[Performance parameters]

Rated voltage: 12(Vdc)
voltage range: 6V-13.2V
Current Rating: 2.2A
Rated power: 35 W
Static lift: 5 M
Open Flow Rate: 3.5 LPM

•[Scope of use]

Ambient temperature: -25°C-50°C
Liquid temperature: 5°C-75-80°C
environment humidity: Diving
The type of liquid: Liquid
Power Type: Power adaptor

Warning

- 1- Do not give too much voltage to the separate pump.
- 2- Make sure your power supply is more than 2 amps.
- 3- Do not use alcohol - benzene - and corrosive liquids.
