Brushless water Pump

PUM-00068

Product Description

Model	JT-660B-12	material quality	PA66+30% glass fiber
voltage	DC12V/14.4W	lift	500CM
work noise	less than 35 DB(distance 20CM)	flow	800L/H
liquid	water, underground water ,sea water	temperature	-20~100celsius degree
environment	45%~90%	life time	>20000H
motor	brushless motor	usage	submersible/ used on land

Model	JT-660B-24	Material quality	PA66+30 Glass fiber
voltage	DC24V/27.6W	lift	700CM
work noise	less than 35 DB(distance 20CM)	flow	1000L/H
liquid	Water ,underground water, seawater	temperature	-20~100celsius degree
environment	45%~90%	life time	>20000H
motor	brushless motor	usage	submersible/used on land
