

Alibaba express china 12v dc motor 12 volt high pressure solar water pumps for sale

AW60	Micro-food-grade high temperature DC self-priming pumps, used in coffee machines, drinking water machine, water purifiers, electric teapots and other products.
Material	Food grade materials
Water temperature	0~100°C hot heat water pump / cooler water pump
Voltage(up to customers)	DC12V / DC24V
Flow channel	one side in,one side out
Current (A) ±15%	160mA/80mA
Power (W) ±15%	2W
Flow (L/H) ±15%	500~800ml/min(620ml normal)
Lift(m)	8M
Suction caliber(mm)	4M
Output caliber(mm)	1.7mm
Noise (dB)	2.2mm
Dimension (mm)	≤ 45dB
Weight (g)	25*62 mm
Life (times)	70 g
Package	> 600 H
